

Puppy Reservation Agreement

We will accept a \$300 reservation fee to have your name placed on a wait list for a future planned litter or if in the event we have a puppy currently available. Names are placed on our wait lists in the order of reservation fees received.

Please understand that the timing of litters is uncontrolled as well as a successful pregnancy. We are at the mercy of mother nature. We are not able to control the heat cycles for our females so the listed month for a breeding is an estimate. We always take the best interest of the health of our males and females into consideration so a planned litter may need to be cancelled. In the event a planned litter is cancelled or a breeding is not successful, the \$300 reservation fee is transferred to the next available litter. Once we do confirm there is a pregnancy, you will be notified.

How to make your payment

Reservation fees can be submitted by cash, money order, bank draft or personal check for the reservation fee only. We do not accept credit cards on site. Your reservation fee can be mailed to: Lori Marshall 1672 Highway 92 Knoxville, Iowa 50138. Please be sure to include the puppy reservation agreement form with your payment. We will let you know when we have received your reservation fee.
